That's okay, I just got off the phone with the Great Plains Tribal Water Alliance, (GPTWA) Chairman, Mr. Doug Crow Ghost, and we were thinking around the same time you have the OST Consultation, we can schedule a GPTWA Consultation meeting with you in Rapid City, SD. Is that around September 11-13? That would work for us too. Get back with me with your thoughts,

Reno Red Cloud Sr.

Hello Mr. Red Cloud,
You mentioned that the Great Plains Tribal Water Alliance would be meeting August 16. I will put together some information to send you about the Underground Injection Control Program proposed permitting actions, as you requested.

Do you know when the next meeting would be and where it would be held? We would welcome the opportunity to meet with the Great Plains Tribal Water Alliance when we visit the area to meet with President Bear Runner. I will keep you up to date as I continue to communicate with Mike Catches Enemy about scheduling our visit.

Thanks!
